

Don't play that song for me      'Cause it brings back memories  
Of days that I once knew      The days that I spent with you  
Oh no, don't let him play it      It fills my heart with pain  
Please stop it right away      I remember just-a what he said

He said darling, "Darling, I love you" And I know that he lied  
"Darling, I love you"      You know that you lied  
"Darling, I love you"      You know that you lied, you lied,  
You lied, lied, lied, lied (to me)

Hey Mr., don't play it no more  
Don't play it no more  
I can't stand it, don't play it no more  
don't play it no more, no more, no more

I Remember on our first date      He kissed me and he walked away  
I was only seventeen      I didn't think he could be so mean

He told me darling      "Darling, I love you" Baby, baby you lied  
"Darling, I need you" Ooooooh you lied  
"Darling, I love you"  
You know that you lied, lied, lied (to me)

Oh darling "Darling, I love you" You know that you lied  
"Darling I need you"      You know I know you lied  
"Darling, I love you:  
Darling you lied, you lied, you lied

Oooh you lied to me  
Don't play it no more I can't stand it  
Don't play it no more
