

Get Out Of My Life Woman
by Allen Toussaint

Get out my life, woman; you don't love me no more
Get out my life, woman; you don't love me no more
Get out my life, woman; you don't want me no more

Get out my eyes, teardrops; I gotta see my way around
Get out my eyes, teardrops; I gotta see my way around
Get out my life, heartache; nothin' but heartache by the pound

<solos>

Get out my way, woman; I gotta be movin' on
Get out the way, woman; I gotta be movin' on
Get out the way, woman; I gotta move on alone

Get out my life, woman; you don't love me no more
Get out my life, woman; you don't love me no more
Get out my life, woman; you don't want me no more

<Extra verse>

Get off the ladder, woman; I've got to climb up to the top
Get off the ladder, woman; I've got to climb up to the top
Get off the ladder, woman; there is nothin' gonna make me stop
