

**Hallelujah I Just Love Her So  
Ray Charles**

**Let me tell you 'bout a girl I know  
She is my baby, and he she lives next door  
Every morning 'fore the sun comes up  
She brings my coffee in my favorite cup  
That's why I know, yes, I know      Hallelujah, I just love her so**

**When I'm in trouble and I have no friends  
I know she'll go with me until the end  
Everybody asks me, "How I know?"  
I smile at them and say she told me so  
That's why I know, oh, I know      Hallelujah, I just love her so**

**Now if I call her on the telephone  
And tell her that I'm all alone  
By the time I count from one to four  
I hear her on my door**

**In the evening when the sun goes down  
When there is nobody else around  
She kisses me and she hold me tight  
And tell me, "Daddy everything's all right"  
That's why I know, yes, I know  
Hallelujah, I just love her so**

**Now if I call her on the telephone ...  
<instrumental>**

**In the evening when the sun goes down ..**

**Oh, Hallelujah don't you know  
I just love her so  
She is my little woman  
Way all down  
Baby**
