

## Help Me by Willie Dixon

You got to help me  
I can't do it all by myself  
You got to help me, baby  
I can't do it all by myself  
You know if you don't help me darling  
I'll have to find myself somebody else  
    I may have to wash  
    I may have to sew  
    I may have to cook  
    I might mop the floor  
    But you help me babe  
    You know if you don't help me darling  
    I'll find myself somebody else  
When I walk, walk with me  
When I talk, you talk to me  
Oh baby, I can't do it all by myself  
You know if you don't help me darling  
I'll have to find myself somebody else  
    Help me, help me darlin'  
    Bring my nightshirt  
    Put on your morning gown  
    Bring my nightshirt  
    Put on your morning gown  
    Darlin I know we stripped bare  
    But I don't feel like lying down
