

## I Can't Lose

I cant lose with the stuff I used to hear  
I said I can't lose with the stuff I used to hear  
If I keep on winnin I'll be rich some day

A whole lots of people would like to see me down  
I said a whole lots of people would like to see me  
down  
When the game feels over I will always be around

My papa says Debra don't worry about a thing  
You need a million dollars if it gonna rain hey hey  
That stuff I used to hear  
If I keep own winin I'll be rich one day

Don't you go around worryin cause you haven't got a  
prayer  
You get yourself some money and the situation ends  
Yehhh, that's stuff I used to hear  
If I keep on winnin I'll be rich some day.

I can't lose  
I can't lose  
I can't lose  
If I keep on winnin I'll be rich some day  
Ahh play the blues
