

I Got My Mojo Workin' – Preston Foster

I got my mojo workin' but it just won't work on you 2x
I want to love you so 'til I don't know what to do

Verses

I got my black cat bones all cured and dry
I got a four-leaf clover all hangin' high
I got my mojo workin' but it just won't work on you
I want to love you so 'til I don't know what to do

I got my hoodoo ashes all around your bed
Got my black snake roots underneath your head
I got my mojo workin' but it just won't work on you
I want to love you so 'til I don't know what to do

I got a gypsy woman givin' me advice
I got some red-hot tips I have to keep on ice
I got my mojo workin' but it just won't work on you
I want to love you so 'til I don't know what to do

I got my rabbit foot, I know it's workin right
I got this strand of hair I'll keep day and night
I got my mojo workin' but it just won't work on you
I want to love you so 'til I don't know what to do

I'm going down to Louisiana, gonna get me a mojo hand
I'm going down to Louisiana, gonna get me a mojo hand
I'm gonna have all you women at my command
[verse added my Muddy Waters]

I got my mojo workin' but it just won't work on you 2x
I want to love you so 'til I don't know what to do

Chorus

I got my mojo working *Got my mojo working*
I got my mojo working *Got my mojo working*
I got my mojo working *Got my mojo working*
I got my mojo working *Got my mojo working* But it just don't work on me
