

I Got A Women

I got a women,
way over town, that's good to me,
Say I got a women way over town
that's good to me, oh yea
she give me money, when im in need
she's that kinda girl indeed
i got a women way over town, thats good to me, oh yea

She save her lovin', early in the mornin'
just for me
She save her lovin' , early in the mornin'
just for me
she saves her lovin', just for me
she loves me so tenderly,
I've got a women way over town,
That's good to me

She's there to love me
everyday and night,
never grumbles or fusses
Always she treats me right,
never running in the streets
and leaving me alone,
she's knows a women's place
right there in her home

say I got a women, way over town
that's good to me
say I got a women, way over town
that's good to me
She's my baby don't you understand
And I'm her lover man
I got a women, way over town
that's good to me oh yea
