

**If I...**

**Like a train on the edge of the sun  
Like the song that's never been sung  
Like the wish that one day comes  
We'd change the world if I could stand by your love**

**If I ... If I ... If I could stand your love  
If I ... If I ... If I could stand your love  
It would be such a possibility  
    if I could stand by your love**

**Like a bullet in a gun  
Like a dream for everyone  
Like a truth that one day comes  
We'd change the world if I could stand by your love**

**If I ... (etc.)**

**1<sup>st</sup> Verse (wish=>truth)**

**If I ... If I ... If I could stand your love  
If I ... If I ... If I could stand your love  
If I ... If I ... If I could stand your love  
If I ... If I ... If I could stand your love**
