

Rattlesnake Shake

Fleetwood Mac

**Baby, if you got to rock
I got to be your rockin' horse
Baby, think you'd like to roll
Maybe your diggin' it more
They're shakin' the world
When it's time to crash
But when I get home tonight
I guess I got to shake myself**

**You need some love; You must have the blues
Ain't but the one thing; A good man can do
He do the shake
The rattlesnake shake
Man, do the shake
Yes, and jerk away the blues; Now, jerk it**

<instrumental – solo>

**Now, I know this guy; His name is Mick
Now, he don't care, when he ain't got no chick
He do the shake
The rattlesnake shake
Yes, he do the shake
And jerks away the blues; Now, jerk it**

<instrumental – solo>
