

Right Place Wrong Time

I been in the right place But it must have been the wrong time
I'd of said the right thing But I must have used the wrong line
I been in the right trip But I must have used the wrong car
My head was in a bad place And I'm wondering what it's good for
I been the right place But it must have been the wrong time
My head was in a bad place But I'm having such a good time

I been running trying to get hung up in my mind
Got to give myself a little talking to this time
Just need a little brain salad surgery
Got to cure my insecurity

I been in the wrong place But it must have been the right time
I been in the right place But it must have been the wrong song
I been in the right vein But it seems like the wrong arm
I been in the right world But it seems wrong wrong wrong
wrong wrong

Slipping, dodging sneaking creeping hiding out down the street
See me life shaking with every who I meet
Refried confusion is making itself clear
Wonder which way do I go to get on out of here

I been in the right place But it must have been the wrong time
I'd have said the right thing But I must have used the wrong line
I'd a took the right road But I must have took a wrong turn
Would have made the right move But I made it at the wrong time
I been on the right trip But I must have used the wrong car
My head was in a good place And I wonder what it's bad for
