

Seventh Son
Willie Dixon

Well now, ev'rybody cryin' About the Seventh Son
But in the whole round world There is only one
 And I'm the one Yes, I'm the one
 I'm the one, I'm the one I'm the one they called the
 Seventh Son

Well, I can tell yo' future Befo' it come to pass
An I can do things for you That make your heart feel glad
A-look in the skies And predict the rain
I can tell when a woman Got another man

And I'm the one...

Now, I can hold ya close An I can squeeze you tight
An I can make you cry for me Both day and night
An I can heal the sick An even raise the dead
And make you little girls Talk out of your head
 And I'm the one...

Now, I can talk these words That sound so sweet
I can make your little heart Even skip a beat
I can make you, baby Hold you in my arms
And make the flesh quiver On yo' lovely bones
 And I'm the one...
