

**Silver Train
Rolling Stones**

**Silver train is a comin' Think I'm gonna get on now, oh, yeah
Silver train is a comin' Think I wanna get on now, oh, yeah, oh, yeah
Silver rain is a fallin' Fallin' up around my house, oh, yeah
Silver rain is a fallin', fallin' up around my house, oh, yeah, oh, yeah**

**And I did not know her name
And I did not know here name
But I sure love the way that she laughed and took my money
And I did not know here name
And I did not know her name
But I sure loved the way that she laughed and called me Honey**

**Silver rain is a fallin'
Fallin' up around my house, oh, yeah
Silver belles is a ringin'
Ringin' all around my house, ding, dong, oh, yeah**

And I did not know her name...

**I'm going home on a south bound train with a song in my mouth
I'm going home on a south bound train with a song in my mouth**

**Silver train is a runnin' Think I'm gonna get on now, oh, yeah
Silver train is a comin' Think I'm gonna get on now, oh, yeah, oh yeah**

And I did not know her name...

**Silver train is a comin' Think I'm gonna get on now, oh, yeah
Silver train is a comin' Think I'm gonna get on board, oh, yeah
Oh Yeah Oh yeah**
