

Used to Rule The World

Doctor Feelgood Sleepin' on a concrete bench
Can I get a witness?
Miss South Carolina 1975,
You were sleeping Somebody stole your crown.
When you woke up baby, In your happy home,
Your life had come and gone.

Now you're mystified,
Who used to rule the world. Standing with the rest of us

Brother Lovejoy Rappin' up a blue streak
Can I get a witness?
Miss Hurricane can't Keep your hands still
Long enough to count your change.
You were wrapped up In your daily grind,
The cost of living It didn't even cross your mind.

Now you're mystified,
Who used to rule the world. Standing with the rest of us

Mr. Blueprint Used to have it figured out
Now you can't find your car.
Miss Cocktail dress Standing at the bathroom sink
Looking for a back way out.
You can't believe your very eyes.
Everything that you were counting on
Was nothing but a pack of lies.

Now you're mystified,
Who used to rule the world. Standing with the rest of us

Now you're mystified, Standing with the rest of us
Who used to rule, used to rule, used to rule the world.
